

ATARI®

# Video Game Catalog

# Accessories

## Paddle Controller

The paddle controller puts you behind the wheel of video road competitions and in control of sporting events.

CX30

## Kid's Controller

Designed to let little hands play specially marked Atari "Kid's Library" educational cartridges on the 2600 game system. Comes with a free "Kid's Library" cartridge.

CX23

## ATARI Joystick

This time-tested joystick works like a charm and lasts almost forever.

CX40

## 2600 Trak-Ball® Controller

Super fast action on your 2600 system. Turn tighter corners ... or zero in quicker on video villains and blast them more accurately.

Capture the ultimate in arcade action and excitement at home.

Includes a free Centipede game cartridge.

CX22

## Pro-Line™ Joystick

Sleek, comfortable controller gives you responsive action and more control.

CX24

# Atari® 7800™

## The State-of-the-Art Video Game System

- Arcade-quality graphics, animation, and sound
- Great library of high-resolution 7800 cartridges available.
- Also plays 2600™ cartridges.
- Includes two joystick controllers.
- Includes Pole Position II game cartridge

## 7800 Super Game Series

The hottest titles in computer games, available for the first time on a video game system! Thanks to the 7800 Super Cartridge and its phenomenal memory storage, you can enjoy more complex game play and more excitement.

### Summer Games<sup>6</sup>

You're an Olympic athlete competing in track, swimming, diving, shooting, gymnastics, and other key events. How well do you score?

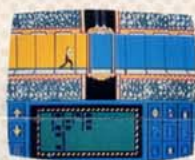

CX7826 / Joystick / 1 to 8 P

### Winter Games<sup>6</sup>

After the opening ceremony, go for the Gold in ski jump, bobsled, skating, and rifle shooting events. First practice each event, choose which nation you'll represent, then give it your best!

CX7831 / Joystick / 1 to 8 P

### Impossible Mission<sup>6</sup>

Evil Elvin Arombender plans to trigger missiles to destroy our planet. Your mission: penetrate Elvin's headquarters, avoid his robot defenders, and find his secret password so you can save the world. This challenge requires your keen, analytical mind. Good luck.

CX7832 / Joystick / 1 P

### Karateka<sup>2</sup>

You're a karate master who must rescue your princess from evil Akuma the Warlord. Control all moves to fight your way through deadly encounters with Akuma's warriors and, finally, Akuma himself. Martial arts action!

CX7822 / Joystick / 1 P

### Touchdown Football<sup>9</sup>

It's your turn to call the plays, catch the pass, and make the decisive tackle! Realistic action challenge for one or two players. Touchdown!

CX7823 / Joystick / 1 or 2 P

### One-on-One Basketball<sup>9</sup>

Larry Bird and Julius "Dr. J" Erving are the greatest players in the game. Now it's your chance to become one of them and compete against your equal. Dunk it!

CX7824 / Joystick / 1 or 2 P

### Skyfox<sup>9</sup>

Skyfox is the ultimate flying machine, featuring speed, responsiveness, power, and state-of-the-art weaponry. Five skill levels and 15 exciting scenarios in the greatest aerial challenge game ever.

CX7825 / Joystick / 1 P

### Desert Falcon™

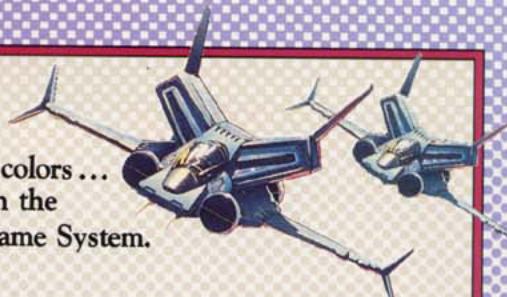

Gather jewels and hieroglyphs, in an endless desert trek. Watch out for crazed Scarabs, flame-throwing Fire Pots, and burrowing Uwes. You face the ultimate confrontation with the Sphinx!

CX7811 / Joystick / 1 or 2 P

# More 7800 Games

Superior graphics and animation ... sharper colors ... the most popular arcade classics! You get it all in the action-packed line of cartridges for the 7800 Video Game System. Just look at these exciting titles....

## Choplifter<sup>2</sup>

The Bungeling Empire kidnapped 64 U.N. delegates. You must fly a helicopter into enemy territory and lead the hostages to safety. Overcome the defenders with speed, skill, and daring in this superb game.

CX7821 / Joystick / 1 P

## Deluxe Asteroids<sup>TM</sup>

Blast your way out of the dense cloud of hurtling astral bodies! Peripheral vision, lightning reflexes, and cool control—that's what it takes to save your ship. And your life!

Twice as exciting as the original Asteroids<sup>TM</sup>.

CX7802 / Joystick / 1 or 2 P

## Pole Position II<sup>4</sup>

High-performance racing at its best! Test your nerve and skill as a race car driver on four different tracks. Prove yourself in the qualifying lap, then take on competing drivers in a high-speed race.

Available only with System.

CX7808 / Joystick / 1 P

## Ms. Pac-Man<sup>5</sup>

Get set to dine with the all-time favorite arcade queen. Enjoy great graphics and sounds as the ever-hungry Ms. Pac-Man gobbles dots, ghosts, and fruits throughout a variety of mazes.

CX7807 / Joystick / 1 or 2 P

## Robotron: 2084<sup>1</sup>

The action is fast and furious as crazed robots close in on you. Blast them away with your laser gun, and outmaneuver them to rescue the humans. Clear one screen and enter another that's even more difficult!

CX7809 / Joystick / 1 or 2 P

## Ballblazer<sup>1</sup>

Experience incredible action in a classic Lucasfilm game. This unique two-player challenge boasts split-screen graphics, showing a true 3D perspective for each player. Hard-driving music sets the pace as you outmaneuver your opponent, control the ball, and score with blazing speed.

CX7815 / Joystick / 1 or 2 P

## Food Fight<sup>TM</sup>

Charley Chuck just loves to eat. It's wild fun as you guide him toward his coveted ice cream cone before it melts—and before the mad chefs pelt him with their messy foods. Over 100 levels for non-stop action, while carnival theme music paces the fun. There's even instant replay!

CX7804 / Joystick / 1 or 2 P

## Xevious<sup>4</sup>

The Xevious are back to reclaim their planet—Earth! You must battle their Domogram rovers, Toroid patrol fleets, and Zoshi death squads. Your only hope is to penetrate the forces and destroy their flagship. Spectacular 3D graphics.

CX7810 / Joystick / 1 or 2 P

## Galaga<sup>5</sup>

The Galagans are invading. They're beautiful. They're colorful. And they're after you. Blast those dive-bombing warriors in this arcade classic.

CX7805 / Joystick / 1 or 2 P

## Centipede<sup>TM</sup>

Just when you think you've zapped that creepy pest, he breaks into smaller pieces that attack. On top of that, spiders, scorpions, and fleas are after you too.

CX7801 / Joystick / 1 or 2 P

## Dig Dug<sup>4</sup>

Create your own maze as you lead the cheerful miner in a search for his favorite fruits and veggies. But beware of the dragons and monsters that guard the food, for they'll destroy you if you don't explode them first.

CX7803 / Joystick / 1 or 2 P

## Joust<sup>1</sup>

Just like the sensational arcade game. Take a magical ride on the back of an ostrich and try to kick your opponents off their buzzards—before they topple you.

CX7806 / Joystick / 1 or 2 P

# The Ultimate System for the Advanced Game Player

Introducing the ATARI® XE™ Game System. Everything for the sophisticated game player in one box. A slickly designed game console with an incredible 64 kilobytes of memory. That's as much power as a computer, to create the most lifelike graphics and animation ever.

Add to that an attachable, game-playing keyboard for playing the most sophisticated arcade and computer games—games that require keyboard interaction. And a gun for

playing the most exciting target and shooting games.

The XE Game System has a great existing library of sports games, adventure games, strategy games, and arcade classics. And hundreds of XE and XL™ programs are playable on the new game system. And if the

serious gamer wants to play disk-based software, an XE disk drive is available separately. The XE Game System. Another Atari breakthrough.

**INCLUDES**  
FLIGHT SIMULATOR II™  
MISSILE COMMAND™ & BUG HUNT™  
FREE  
WITH SYSTEM

## XE SOFTWARE LIBRARY

Hundreds of thrilling entertainment programs are available.

COMING SOON!

COMING SOON!

**Flight Simulator II**<sup>10</sup>  
Put yourself in the pilot's seat of a Piper 181 Cherokee Archer and head for the skies! High-speed color 3D graphics provide a spectacular panoramic view as you practice takeoffs, landings, and aerobatics. Complete documentation gets you airborne quickly. Available only with System. RX8091 / Joystick & Keyboard / 1 P

**HardBall!**<sup>7</sup>  
Step up to the plate and knock that ball out of the park! Choose when to bunt, steal bases, or control base running. When your team is in the field, you call the pitches. HardBall! puts you in charge as both player and manager. Batter up! RX8084 / Joystick & Keyboard / 1 or 2 P

**Lode Runner**<sup>2</sup>  
Recapture stolen treasure from the greedy leaders of the Bungle Empire. Run like mad through elaborately-crafted treasure chambers, outwitting the relentless guards. If you survive, a built-in Game Generator lets you create your own puzzles and scenes. RX8082 / Joystick & Keyboard / 1 P

**Star Raiders II**<sup>TM</sup>  
It's fast action as you pilot the hottest new fighter in the galaxy—the Liberty Star. Your mission is simple: wipe out the entire Zylon Master Force. The battle zone covers two star systems. If you fail, the battle—and the star systems—are lost! RX8078 / Joystick & Keyboard / 1 P

COMING SOON!

COMING SOON!

**Food Fight**<sup>TM</sup>  
Hurl mounds of food at disgruntled chefs. If you manage to ward them off, you'll be rewarded with a giant ice cream cone. But if you miss, look out for the flying spinach, and cherry tarts. RX8079 / Joystick / 1 or 2 P

**Fight Night**<sup>7</sup>  
Are you a man or a wimp? Strap on your Everlast gloves and prove your ability to defend yourself. From the opening bell to the final knock-down, test your basic instincts to fight back and survive. RX8085 / Joystick / 1 or 2 P

**Centipede**<sup>TM</sup>  
Hundreds and thousands of bugs! Creepy ones, crawly ones, buzzing ones, swarming ones. As the game goes on, insects get faster and faster. And they're all trying to get you! CX14020 / Joystick / 1 or 2 P

**Final Legacy**<sup>TM</sup>  
Triple trouble! The battleship Legacy is under siege, and the Warmongers are attacking from the sea, land, and air. You've got to defend the Legacy while still keeping an eye on the home front. RX8067 / Joystick / 1 P

# Atari® 2600™

## The World's Most Popular Video Game System

- New compact size.
- Carrying case with handle.
- Great new games available.
- Plays hundreds of 2600 cartridges.
- Comes with joystick.
- New low price.
- Fun for the whole family!

Arcade classics, exciting space adventures, contests of speed and skill, and challenges to the mind ... they're all waiting for you with the ATARI 2600 line of games.

### Jr. Pac-Man<sup>5</sup>

New scrolling mazes, more power pills, and an incredibly energetic Jr. Pac-Man. This is the most challenging and fun Pac-Man<sup>5</sup> game yet.

CX26123 / Joystick / 1 P

### Midnight Magic<sup>2</sup>

The best of real pinball and fabulous video arcade action! Pull the spring and swing those flippers to stay in the game as long as you can.

CX26129 / Joystick / 1 or 2 P

### Solaris

Battle galactic villains, rescue space cadets, defend friendly planets, and navigate through enemy corridors. Test your skill and try to reach Solaris.

CX26136 / Joystick / 1 P

### Galaxian<sup>5</sup>

The winged warriors of the mighty Galaxian fleet are headed your way. As wave after wave advances, only you can destroy the enemy and head back the invasion. Can you do it?

CX2684 / Joystick / 1 P

### Ms. Pac-Man<sup>5</sup>

This lady is a champ! Four different mazes featuring an array of fruit, pretzels, and scary ghosts. The best maze challenge around!

CX2675 / Joystick / 1 P

### Millipede™

Millipede invades your garden with creeping, flying, buzzing bugs. Blast away with your arrows and DDT bombs, and get rid of them before they get to you.

This action-packed game keeps your skin crawling.

CX26118 / Joystick / 1 P

### Crystal Castles™

Help Bentley Bear™ harvest gems and escape the a-maze-ing world of Crystal Castles. But watch out for the witch and her evil cronies! Captivating 3D graphics and dozens of colorful, challenging screens.

CX26110 / Joystick / 1 or 2 P

### Joust<sup>5</sup>

Get set for a thrilling ride on the back of an ostrich. Your goal is to jockey for position, try to gain the advantage, and knock your opponents off their buzzards. Action just like the arcade game.

CX2691 / Joystick / 1 or 2 P

### Kangaroo<sup>5</sup>

Help Mama Kangaroo rescue her baby and punch out a bunch of mean, fruit-flinging monkeys. A challenging game that provides hours of fun for the whole family.

CX2689 / Joystick / 1 or 2 P

### Dig Dug<sup>4</sup>

Help Dig Dug tunnel underground for his beloved veggies in this make-your-own-maze game. But look out for Fygat<sup>4</sup> and his buddy Pookat<sup>4</sup>. These guys will destroy Dig Dug unless he smashes them first.

CX2677 / Joystick / 1 or 2 P

### Centipede™

Just when you think you've zapped the quick-moving Centipede, he breaks into more segments. As if that's not enough, creepy spiders get in your way. Watch out because they're all out to get you!

CX2676 / Joystick / 1 P

### BattleZone™

The whole world is in big trouble. From your combat tank, you must find and destroy the enemy tanks, aerial fighters, and flying saucers before they find you. Get ready for the futuristic fight to the finish!

CX2681 / Joystick / 1 or 2 P

### RealSports Football™

Enjoy football thrills and excitement without the bruises! You select the offensive and defensive formations and plays, call audibles at the scrimmage line, and control the players in real time. Touchdown!

CX2668 / Joystick / 1 or 2 P

### Defender II<sup>3</sup>

Alien marauders are attacking Earth! They're kidnapping humanoids to transform them into mutants. Use the powerful stellar passageway to help you save your planet from destruction.

CX26120 / Joystick / 1 or 2 P

### Pole Position<sup>4</sup>

Experience the speed and excitement of driving a Grand Prix car around the Fuji race-track. Watch out for those curves, or you'll never make it through the qualifying lap.

CX2694 / Joystick / 1 P

### RealSports Soccer™

Set the skill level and score in this authentic game of soccer. You decide which player to control, when to kick, and how high to kick. You'll need true soccer strategy in this challenging game.

CX2667 / Joystick / 1 or 2 P

...AND MANY, MANY MORE!
