ADVANCED
PROGRAMMABLE
VIDEO SYSTEM**

Printed in Hong Kong

THE SKY'S THE LIMIT !

console-picture-page.de

There's practically no end to the number of game variations available for your Advanced Programmable Video System. From action battle games to challenging brain-teasers — this cartridge system adds a new dimension in fun and flexibility to your TV. All optional cartridges 'program' the microprocessor inside your Game Console to play different game variations. There are games for all ages including educational Maths and Music cartridges. You can build an entire library of game cartridges for the whole family to enjoy.

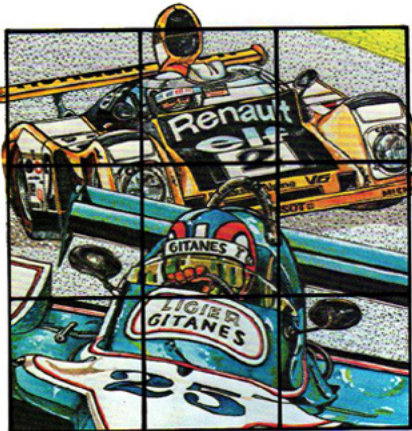

Note: Cartridge specifications are subject to change without prior notice.

These cartridges are compatible with the following Video Systems:

Radofin Model 1292 and 1392
Acetronic Microprocessor MPU 1000
Audiosonic Model PP-1292
Prinztronic VC6000
Hanimex HMG 1292

All cartridges subject to availability.

3002 AS

AUTO SPORTS 10

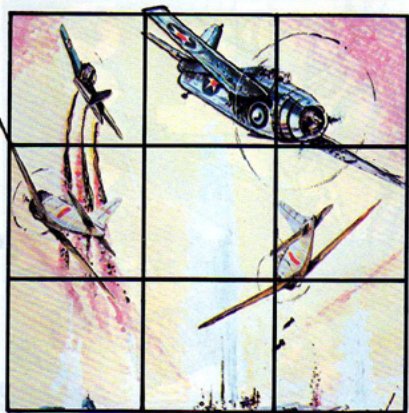

- * Roar through the twisting rally course.
- * Race wheel to wheel through the closed circuits.
- * Dodge the fast moving computer-controlled cars in the Grand Prix Game.
- * Ten variations of racing and rally games for one and two players.

3003 BJ

BLACKJACK

- * Feeling Lucky?
Bet your hand and take on the dealer in this computer controlled version of Las Vegas' most popular card game. But watch out - he doesn't make mistakes very often!
- * Games for one or two vs the computer.

3004 TP

TANK/PLANE BATTLE

- * Diving down out of a cloud you find the enemy plane dead ahead and explosions fill the sky as you score a direct hit.
- * Manoeuvre your tank around the barriers to fire at an unseen enemy.
- * 26 action — packed variations of two player tank and airplane battle games.

3005 AT

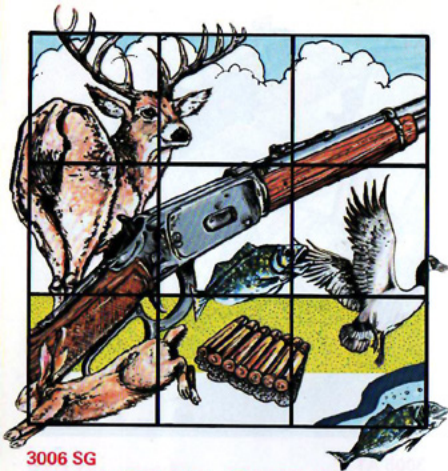

AIR/SEA ATTACK

Your destroyer sweeps across the seas as enemy subs cross far below. Depth charges away!

Pilot a bomber attacking the moving submarine but watch out his missiles can blast you out of the sky!

Plus — clear the skies with your ground launched guided missile. A military shooting gallery.

20 variations for one and two players.

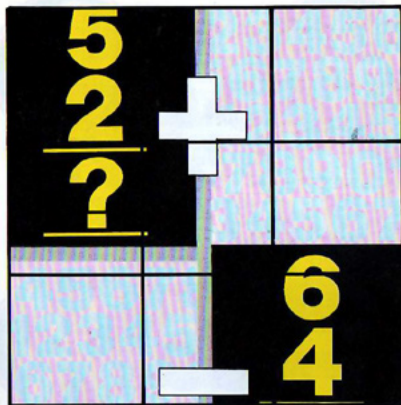

3006 SG

SHOOTING GALLERY

Hunters — take aim and fire away at a whole gallery of moving animals, birds, even fish!

Play against a friend or against the clock.

Play with fixed hunters, movable hunters, guided bullets, even rebounding bullets, there are 32 shooting gallery variations for one and two players.

3007 MO

BASIC MATHS

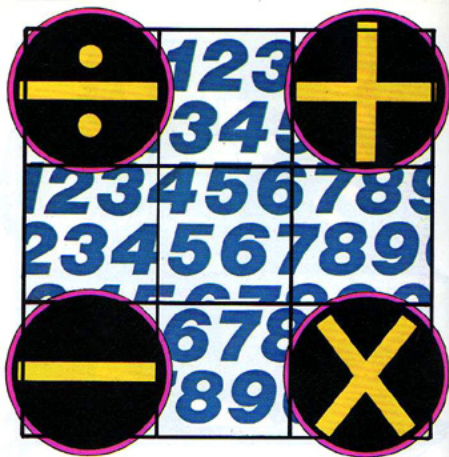

343

+ 176

+ 299

?

How quickly can you find the sum? Addition and subtraction problems — against the clock/against another player. You can make it as easy or hard as you want. Maths was never this much fun.

3008 MT

MATHS 2

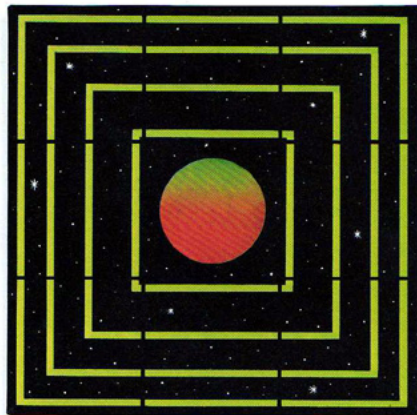

- * After you've mastered Basic Maths we have another educational challenge. Get ready, now how about

or start at the first level with

- * Just like the Basic Maths cartridge, you control the difficulty level and type of problem

$$\begin{array}{r} 473 \\ \div 119 \\ \hline x 982 \\ \hline ? \end{array}$$

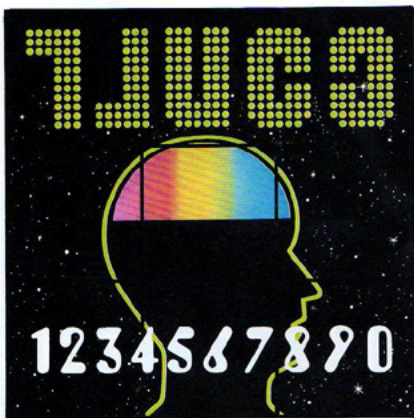

$$\begin{array}{r} 12 \\ x 2 \\ \hline ? \end{array}$$

3009 CC

COMPUTER CHALLENGE

- * Put on your thinking cap and try to outwit that fiendish computer in this popular board game, as you each try to score four places in a row. You have one advantage though – you decide how bright your opponent may be.
- * 14 game variations for one and two players.

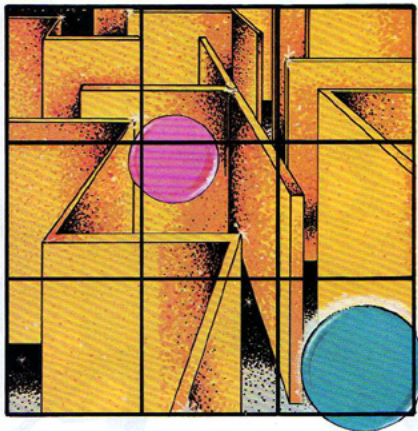

3010 CB

CODE BREAKER

- * Settle down, sharpen your wits, top up your think tank, here's another thinking game, this one has you trying to guess the computer generated code number. After each guess you receive hints and are allowed up to 8 attempts.
- * Playable at 24 difficulty graded game levels, for one or two players.

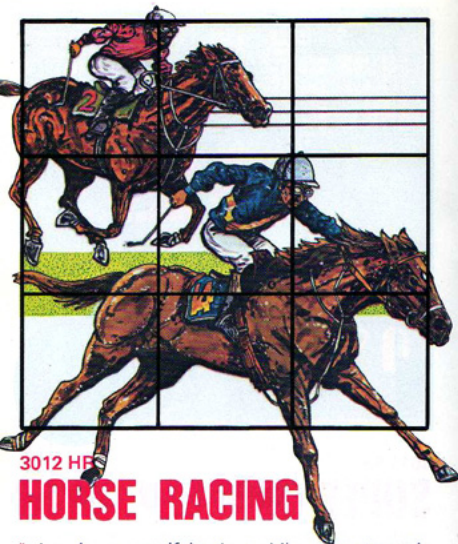

console-picture-page.de

3011 SM

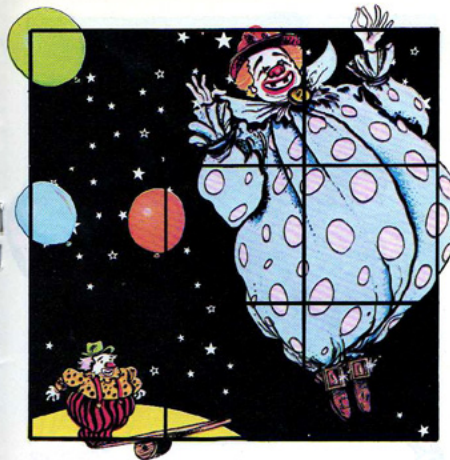

SUPER MAZE

- * Find your way through the maze.
- * Race your opponent through the maze but watch out — it may change shape before your eyes!
- * Cat and mouse — you control the mouse as he scurries through the maze but beware of the cat!
- * 24 game versions for one and two players.

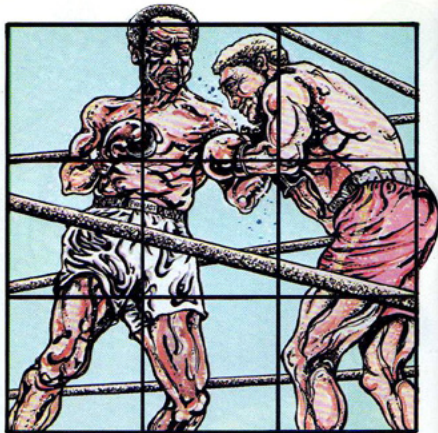

3012 HF HORSE RACING

- * Imagine yourself in the saddle racing toward the widest fence on the course. Press your horse on, jumping and racing against the clock and another player. Don't jump too soon or you'll hit the fence, don't jump too late or your trusty steed will refuse and crash through the fence!
- * 16 realistic steeple chase versions for one and two players.

3013 CI CIRCUS

- * Spring into the air — snatch a balloon and land on the springboard sending another clown off on an acrobatic balloon chase. Don't misjudge his landing or the clown will be finished.
- * 16 versions of one and two player acrobatic springboard games.

3014 PF
PRIZEFIGHT

- * Slug it out, left — right — but keep your guard up or your opponent will score a knockout. Punch, move, defend — you control it all. Everything but the bruises.
- * Realistic animated prizefight between two players.
